

Resato

English name: **Resato International B.V.**
Original name: **Resato International B.V.**
Department: Food Pressure Unit

Roden
Netherlands

Industry

Website

www.resato.com/highpressure/

Related Technology Datasheet

Title

Actinidin and high pressure
High pressure processing
High pressure shellfish processing
High pressure thermal sterilisation
High-pressure low-temperature processes
Starch gelation by high pressure processing
Structure formation through pressure-induced protein denaturation
